For: OPTICAL ALIGNMENT ELEMENT METHOD

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

AMENDMENT

Sir:

In response to the Office Action dated March 19, 2003, please amend the above-identified application in the following manner:

IN THE CLAIMS

1. (Currently Amended) A method for aligning a plurality of optical elements in an optical device, comprising the steps of:
 - (a) placing at least a first optical element in a first beam path;
 - (b) fixing the first optical element in place without substantially compensating for errors in optical alignment;
 - (c) placing at least a first optical alignment element (OAE) in the first beam path; and
